S I R :

Submitted herewith are the following:

(1) Copy of a Communication and a Supplementary Partial
European Search Report which issued in the counterpart European
application;

(2) Form PTO/SB/08B. It is requested that an initialed copy
of the enclosed Form PTO/SB/08B be returned to the undersigned to
indicate that the publications listed therein have been
considered and made of record; and

(3) Copies of the publications cited on said Form
PTO/SB/08B.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said Search Report.

Said Search Report is in English, thereby satisfying the requirements for a concise explanation of relevance.

WO 00/63240 and WO 92/05191, which were cited in the enclosed Supplementary Partial European Search Report, were previously cited in an Information Disclosure Statement filed by the applicants.

STATEMENT UNDER 37 CFR 1.97(e)(1)

Each item of information identified on the enclosed Form PTO/SB/08B of this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present Information Disclosure Statement.

Said Communication bears a mailing date of October 12, 2005.

It is respectfully requested that the Examiner return a copy of the enclosed Form PTO/SB/08B with the Examiner's initials in the left column next to each cited publication to indicate that the attached publications were considered and made of record.

Respectfully submitted,
